FYI. We probably need to talk to the CICs as well, as they are generally the first to get these calls.

I called [Ex. 6 - Personal Privacy] he is a private citizen in the area. I answered a few of his questions about Superfund in general, and referred him to MDEQ for more specifics on State Disposal Landfill as the site is State Enforcement Lead.

He didn't say in his message, but it sounds like he might be with the township since he mentioned needing an update for the meeting tonight.

Hi Lolita, I had a call today from [REDACTED] asking about the State Disposal Landfill in Plainfield Twsp., Mich. He needs information today for a township meeting tonight. His number is 616-558-7834. Can you call him? The CIC for the site, Charles Rodriguez, is in Puerto Rico on hurricane response.
